Healthy for Good™

# Warm Up to **Cool-Weather** Workouts

## ***Dress for Comfort***

- Keep your feet cozy with warm socks, weatherproof shoes and supportive insoles
- Wear layers of clothing to wick away moisture, insulate and protect
- Don't forget hats, gloves and scarves if it's very cold

## ***Look at the Bright Side***

- Being outdoors is a great way to get some Vitamin D
- There's no heat or humidity to deal with – just cool, crisp air
- Exercise boosts immunity during cold and flu season

## ***Take It Inside if It Gets Too Cold for Comfort***

- Indoor circuit workouts
- Yoga or other fun group classes
- Active housework such as power vacuuming

## ***Have Fun with Cool-Weather Activities such as***

Jogging

Hiking

Snowshoeing
