

MAKE MOVEMENT A HABIT.

Tips to get active – and stay active.

Choose the right kind of movement.

Make it something you enjoy and can repeat easily. Lots of physical activities are good for you!

Start small: Stepping stones, not boulders.

Don't set yourself up for failure. Instead of a two-hour hike, start with a 20-minute walk.

Choose a cue. We all need a reminder.

A cue is anything that helps you remember your movement habit. Put your sneakers by the door or your hand weights near your computer – that's a cue.
