

American Heart Association®

Check. Change. Control.
Cholesterol™

The American Heart Association is pleased to recognize these organizations for their commitment to improving the health of their patients through high quality cholesterol and atherosclerotic cardiovascular disease (ASCVD) risk factor management with the ultimate goal of reducing cardiovascular deaths, heart attacks, and strokes.

Gold Award

Recognizes organizations that have fulfilled the Participant Award criteria AND had 70% or more of their adult, at-risk patient population appropriately managed with Statin therapy in 2024 based on MIPS measure #438.
