

American Heart Association.

## Target: Type 2 Diabetes<sup>SM</sup>

The American Heart Association is pleased to recognize these organizations for their commitment to improving the health of their patients through high quality care related to type 2 diabetes and management of cardiovascular risk factors with the ultimate goal of reducing cardiovascular deaths, heart attacks, and strokes in people living with type 2 diabetes.

### Gold Award

Recognizes organizations that have fulfilled the Participant criteria AND have met the specified Gold-level thresholds for each of two selected clinical measures related to diabetes control and cardiovascular disease risk factors, hypertension and cholesterol management.
